## LISMORE STUDIO

Building progresses in Port Ramsay, on the Island of Lismore in Argyll, on our new studio centre. Although we don't yet have a date for completion of the technical facilities, the building will be ready for our engineers to move into this month.

We hope to use the new facility for both programme making and some of our playout, and we'll keep you posted on progress in future issues of Radio News.

Programme details in RADIO NEWS are correct at the time of printing, but last minute programme changes are always possible for either editorial or technical reasons.

Our online programme schedule at [radiosix.com](http://radiosix.com) will always reflect the latest schedule whenever possible. Although Radio Six International does not carry regular news bulletins, programmes can occasionally be interrupted for reports of major international news
